Sponsorship & Gift Aid Form For:

If I have ticked the box headed “Gift Aid”, I confirm that I am a UK income tax or capital gains tax payer. I have read this statement and want the Southern Spinal Injuries Trust (SSIT) to reclaim tax on the donation shown on this form, and any other donations I make in the future. I understand that I must pay an amount of income tax and/or capital gains tax in each donation tax year at least equal to the amount of tax that all the charities I donate to, will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand that SSIT will reclaim 25p of tax on every £1 that I have given.

Sponsorship & Gift Aid Form For:

The Southern Spinal Injuries Trust helps to improve the lives, health and aspirations of people with spinal cord injury (SCI). The charity does this by providing specialist equipment and other support direct to people with SCI who live in the south and south west, the extensive region served by the Duke of Cornwall Spinal Treatment Centre at Salisbury District Hospital. To meet the requests for support that the charity receives, SSIT depends on charitable donations, grants and fundraising.
